**KYLE BALCH, M.D. ❖ AHMAIDA ZEGLAM, M.D. ❖ ERIC GRIESER, M.D.**

We are proud to say that our practice has a 50 year tradition of providing eye care to the North Florida area. Medical & surgical treatment of eye disease is our specialty. This includes “state of the art” cataract surgery, as well as management of glaucoma, macular degeneration, & diabetic eye conditions. We also offer Eyelid, Facial Plastic Reconstructive, & Cosmetic Surgery.

We’d like to thank you for choosing Gainesville Eye Physicians to provide your eyecare & oculoplastic needs. Our doctors & staff will do everything possible to make your visit comfortable & pleasant.

*We have enclosed new patient forms & ask that you complete these prior to your appointment. Please bring the following with you to your appointment:*

- \*New Patient Forms
- \*Insurance Card(s) & Photo Id
- \*Current List of Medications
- \*Sunglasses & Prescription Glasses

Most examinations are covered by health insurance policies; however, “routine” glasses or contact lens examinations may not be covered. Before your appointment, you should review your policy &/or call your insurance company to verify coverage.

**We do ask that co-pays, deductibles, & non-covered services  
be paid for at the time of your appointment.**

Please let us know if we can be of further assistance contact us if you have questions regarding our services. We look forward to meeting you.
